

2024 12 30

## NEW CUSTOMER NOTICE

We welcome you as a customer of the Municipal Utility Board, City of Pryor Creek, and would like to acquaint you with the rules and regulations of the Utility Department.

### Utility Office Hours – 8:00 AM to 5:00 PM, Monday through Friday

1. Utility bills are mailed before the last day of each month and payable on or before the 10<sup>th</sup> of the next month. Payments made after the 10<sup>th</sup> are delinquent and a 5% penalty will be charged on your next bill.
2. Failure to receive a utility bill through the mail *IS NOT* a valid reason for non-payment. If your bill is not received by the 10<sup>th</sup> of the month, it is your responsibility to contact our business office to see that your bill is paid. Our office is located at 12 North Rowe St., or you may call 825-2100.
3. If utility bills are not paid by the 15<sup>th</sup> of the month, the customer's service may be disconnected.
4. If service is disconnected for non-payment, a \$50.00 delinquent deposit will be required in addition to the amount of the delinquent bill before service is restored and a \$20.00 reconnect fee will be required, during regular business hours
5. A \$20.00 connect fee will be charged to new accounts. This charge applies to transfers and landlord accounts as well. This fee will be added to the first billing.
6. MUB accepts debit or credit cards for deposits, tap fees or pole fees, with a 4.95 convenience fee.
7. For Same Day Service – Requirements for services must be received by 3:30 pm (no turn-ons after 4 pm). On Saturday, Sunday, or holidays, a service may be connected at the sole discretion of the General Manger and a \$50.00 fee will be charged.
8. "Policy of billing and termination of service for delinquency" is on file and available to any customer.
9. We are a "Billing Agent" only for PRYOR WASTE & RECYCLING. For information regarding trash pick-up dates, etc. please call 825-0026.

## **AUTOMATIC BILL PAYMENT**

**No Personal or Business Check,**

**No Fuss, No Muss**

The Municipal Utility Board offers a convenient payment plan, and it's as easy as it sounds.

Automatic Bill Payment allows your utility bill to be paid directly from whichever financial institution you choose – your bank, your savings and loan, or your credit union. No more checks to write and no more payment deadlines.

If you would like to participate in this plan, just call 918-825-2100 and request an authorization form or download the form from our website. Complete the form and return it to our business office with a voided check or savings deposit slip. MUB will set up the Automatic Bank Draft with your financial institution.

You will continue to receive your utility bill by the first of every month indicating the **BALANCE DUE** is being **PAID BY DRAFT**. The draft on your account will occur on or near the 10<sup>th</sup> day of each month, depending on weekends and holidays.

All you have to do is make sure there are sufficient funds in your account to cover the automatic withdrawal every month.

**ABP**

***AN EASY AND CONVENIENT PAYMENT METHOD***

Fax to: 918-825-1134 or  
Mail to: PO Box 249, Pryor, OK 74362
3. Upon receipt of the primary care physician's letter, the customer will be included on the MUB Life Support List.
4. The customer must maintain (2) two hours (minimum) of oxygen in the event there is a loss of service.
5. In the event contact information changes it is the customer's responsibility to inform MUB.

PO BOX 249 • PRYOR, OKLAHOMA 74362 • 918/825-2100

**Dear Natural Gas Customer:**

**Re: Customer Owned Yard Lines**

**The Pipeline and Hazardous Materials Safety Administration (PHMSA) of the U.S. Department of Transportation has issued a rule requiring all natural gas operators to notify their customers of the responsibility of maintaining service yard lines.**

**The Municipal Utility Board does not own or maintain buried gas piping from the meter location to the residence or structure. This piping is the responsibility of the property owner.**

**To ensure the safe operation of these service lines, they should be checked periodically. You are advised to contact a licensed plumbing and heating contractor to assist you in locating and checking your lines for leaks or corrosion (if metal). When excavating near buried gas piping, the piping should be located in advance, and the excavation done by hand.**

**The MUB has an on-going leakage survey for the department's main gas lines. In the summer of 2001 the department began surveying one (1) out of every five (5) customer-owned yard lines during the annual leak survey. In the event a leak is detected on the yard line, the MUB will notify you of its location and ask you to have it repaired. It has always been MUB's policy to assist our natural gas customers with locating and pinpointing leaks both inside and outside the home. If you think that you smell gas in or around your home, call the MUB office at 918-825-2100 or the after-hours emergency number at 918-825-2102 for assistance.**

**Travis Whitenack  
Gas Department Foreman**

## **PREVENTATIVE MEASURES TO HELP AVOID FROZEN WATER LINES DURING EXTREMELY COLD WEATHER**

1. Let a small stream of water, both hot and cold run through your faucets, especially if they are located on a north wall that is not insulated.
2. Open cabinet doors under kitchen and bathroom sinks to allow warm air to circulate.
3. Water lines located in non-heated areas, such as a garage can be protected by using either a heat tape on the water lines or hanging a heat lamp in close proximity to thaw.

In order to determine a monthly refuse rate that each residential household would pay, a set of regulations was established by the Pryor City Council 25 years ago. Therefore, by a signed contract agreement between City of Pryor and Pryor Waste & Recycling LLC refuse service will be provided based on the following rules and regulations.

The only reasons refuse is not picked up is a violation of the regulations, if the house water has been turned off, Thanksgiving or Christmas Day, dangerous weather conditions or if refuse service has not been paid. Combined refuse rates for a year are based on 48 weeks of service even though there are 52 weeks in a year.

Pryor Waste & Recycling LLC is a private owned company and your refuse service will be what has been established by the City of Pryor. Any refuse service requested that is not in the contract, will only be at the discretion of the owner of Pryor Waste & Recycling.

- A. Each residents within the city limits of Pryor, at a certain time, will receive twice a week service on their designated day's unless there is a holiday, dangerous weather conditions or a violation. Outside the city limits residential refuse service will only be once a week.
- B. Residential pick-up begins at 6:00 AM Monday thru Friday.
- C. Resident's are to place their refuse at **LEAST** 3 feet from the curb or street.  
Unless you are paying an extra charge for house side pickup for bagged trash only.
- D. Only a **total** of **four** containers or bags or individual items will be picked at a time.
- E. The garbage container or bag size must not exceed 35 gallons.
- F. Any container, bag or item that exceeds 50 lb. will not be picked up **NO** exceptions.
- G. Two tied bundles of brush or limbs not to exceed 2 ft. diameter, 4 ft. long, 50 lbs.  
Loose limbs placed in a container can result in an eye injury to route personnel.

Note: Animal liter, humane items, hypodermic needles, glass and other disposed items could jeopardize the workers health, please call 825-0026 for disposal instructions.

Note: In order to protect workers and prevent equipment damage, also not to violate strict State Landfill or Transfer Station Regulations the following items will **NOT** be picked up. No furniture, appliances, TV, computers, mattresses, tires, lead type batteries, chemicals, wet paint cans or spray paint cans, large metal items, flammable liquids or containers, oil new or used, anti-freeze, fertilizer, bricks, concrete, rocks, gravel or dirt. No meat in a large quantity or animals or animal remains will be taken. Fish remains may be disposed in a small quantity, please freeze remains and place in a sealed plastic bag the day of pick-up.

**Fireplace or charcoal ashes MUST be placed in a plastic bag no exceptions!!!!**

Note: Pryor Waste has a Transfer Station available to dispose of extra garbage that exceeds contract limits, furniture, appliances, lumber and etc for a charged fee.
